Dear Sixth Form Applicant

I hope you are all keeping safe and well during these uncertain times we are facing.

Following on from the Government's announcements in relation to school closure and Year 11 Examinations, I am writing to let you know that **we have been instructed to close the school to almost all children after Friday 20th March until further notice.**

Due to this, we have had to suspend our normal process for new sixth form applicants. We will, however, do our utmost to let you know going forward what contingency plans will be put in place to minimise the impact the Coronavirus has caused. Please note that this is a national closure so while it is a challenging situation, we are not alone.

We will be posting information that our sixth form students can get involved in such as daily challenges, documentaries, wider reading and free online courses to develop further understanding in their subjects or areas that are of interest to them. Please feel free to follow us on Twitter @FBA_SixthForm and get involved to keep yourselves occupied and motivated to start your next chapter in Education.

We will endeavour to keep in touch with any updates as the situation develops. Should you need to contact us, please email via sixthformadmissions@fbaok.co.uk.

Yours sincerely,

Mrs K Loyal
