

## Parent Guide to Show My Homework

During the closure of our school, we will be setting work for the students to complete via Show My Homework.

- Staff will set work by 08.30am on the day of the lesson.
- The deadline for work at the end of the working week of the lesson

### Communication with Parents and Students

During the closure please check the following sources for information:

1. **Twitter** – Information updated regularly
2. **School Website** – Information updated regularly

If you need to contact the school regarding SMHW, please email [info@fbaok.co.uk](mailto:info@fbaok.co.uk)

Students can use SMHW Notifications or staff emails to communicate with their teachers if they have any questions about the work set.

We have asked staff to check their emails and SMHW twice a day; once in the morning and once in the afternoon between the hours of 08.30am and 3.30pm

### What is Show My Homework?

SMHW is an online programme which has an app which can be downloaded from App Store/Google Play Store onto your phone or tablet.

- Open the app and type in the school name
- Type in your email/username and password – these are provided from the school. Your Parent Code will be a mixture of letters and numbers. Please remember these are **case sensitive**. This is a one time pin. You can create a username and password that is memorable to you.
- You will be taken to your child's to do list and you can start to use SMHW

During the closure of the school you will be able to:

- Monitor the work which is being set for your child. The issue date will be the day of the lesson and the work must be completed at the end of the week.
- You can get notifications straight to your phone

If you have more than one child at the same school they will appear on the same page.

## My Calendar

This displays your child's homework appears as a block stretching from issue date to due date. The due date will be the end of the working week of the lesson. If the lesson is on a Friday it will be due the following week.

The screenshot shows a calendar interface with a weekly grid from Monday 16th Mar to Sunday 22nd Mar. Homework assignments are represented as green blocks:

- Monday 16th Mar:** 8 mark question feedforward tasks (9A/G1 Geog, Mrs L. Hebden)
- Tuesday 17th Mar:** Nissan (10F/G1 Geog, Mrs L. Hebden)
- Wednesday 18th Mar:** GEOGRAPHY WORK Wednesday 18th March Period 5 (10F/G1 Geog, Mrs L. Hebden)

## Homework description

This includes the title, description, issue and due date including how the work should be submitted (class, online etc)

The screenshot shows a homework assignment page with the following details:

- Title:** 8 mark question feedforward tasks
- Issue date:** Set on Tue 10 Mar
- Due date:** Due on Fri 20 Mar
- Description:**
  - Redraft your answer in green pen using the feedback sheet.
  - Choose one task to complete. If your MEG is a 6 or more please attempt the challenge task.
- Other information:**
  - You set an average of 45 minutes for this task.
  - You asked for this task to be submitted in class.

An annotation box points to the '45 minutes' value, stating: "Time- during closure enough work should be set for 60 minutes".

## **Manage Notifications**

You can select if you would like notifications by email or push notifications on the app

## **Gradebook**

The gradebook allows you to see whether your child has handed their homework. However during the school closure teachers will not be able to check the work has been done. Staff will be monitoring SMHW to see if a student has viewed the homework and downloaded the resources if applicable.

Staff will be setting assessments inline with the school feedback policy. If possible, staff will ask for work to be submitted online or emailed to them directly. Staff may also use of SMHW quizzes and Doodle assessments to assess students. Mr Sullivan has produced a PowerPoint explaining to the students how to log in and use Doodle. The students have received copies of the login details for Doodle. All of this information has been uploaded to Show My Homework on 17<sup>th</sup> March.

## **Student Login details**

Students should have received their login details from their form tutor. They will need to have access to their phone, tablet, laptop/computer to be able to see the work set by their teachers.

## **CSD Support**

Please contact the school by emailing [info@fbaok.co.uk](mailto:info@fbaok.co.uk) if you need your login details. You can also contact the CSD department using the online enquiry form on the school website.
