

## How to help your child

Subject: Health and Social Care

	<b>How to help your child</b>
<b>Year 10</b>	<ol style="list-style-type: none"><li>1. Encourage your child to actively engage in the subject; support this by talking to your child about their learning in the subject.</li><li>2. Encourage your child to respond to teacher feedback, making improvements to their work and catch up on any work missed.</li><li>3. Encourage your child to attend support and/or intervention sessions whilst completing internally assessed assignments.</li><li>4. Encourage your child to manage their time effectively through spending time completing internally assessed assignments at home and meeting the set deadline/s.</li></ol>
<b>Year 11</b>	<ol style="list-style-type: none"><li>1. Encourage your child to actively engage in the subject; support this by talking to your child about their learning in the subject.</li><li>2. Encourage your child to respond to teacher feedback, making improvements to their work and catch up on any work missed.</li><li>3. Encourage your child to attend support and/or intervention sessions whilst completing internally assessed assignments.</li><li>4. Encourage your child to manage their time effectively through spending time completing internally assessed assignments at home and meeting the set deadline/s.</li><li>5. As the course progresses to the externally assessed component (examination), encourage your child to start revision early, using exercise books and revision guides.</li><li>6. Encourage your child to attend revision sessions for the external examination.</li><li>7. Encourage your child to use a revision timetable to manage their time effectively</li><li>8. If your child does not have a copy of the following guides, we would highlight recommend it to help support their revision: 1. Revise BTEC Tech Award Health and social Care Revision Guide and 2. Revise BTEC Tech Award Health and Social Care Practice Assessments Plus – both of these can be obtained from your child's class teacher</li></ol>
